it instead of listing them in a box off to the side. I found the walkthrough wasn't that helpful as it listed everything for an island all in the same section, even though a lot of things couldn't be done or unlocked until later, and it felt cramped with all the freaking text boxes split up over the page. I use it mostly for the list of recipes and rooms. 2 of 2 people found the following review helpful. This has helped a lot. I played through it ...By Nicholas Coker This has helped a lot. I played through it without this first. The guide helps you complete all of the challenges. It does seem to be missing details occasionally. 0 of 0 people found the following review helpful. Good for walkthru By ian FamilyLove using this guide. It's a great guide and map for a very uneven terrain. Sometimes it's hard translating the flat pictures into the 3D world you're surrounded in, but it does a good job of walking you through!
