Field Character : Draw a D*ck on It: A Naughty Drawing Game before purchasing it in order to gauge whether or not it would be worth my time, and all praised Draw a D*ck on It: A Naughty Drawing Game:

A hilariously naughty take on doodling, this game challenges players to draw a d*ck on everyday objects, from a robot to a milkshake! Players simply add enhancements and captions to the emasculated images and then share their masterpieces for a good laugh. With 10 different illustrations repeating, plus a sticker sheet of awards, this portable pad guarantees good fun for bachelorette parties and any bawdy get-together. Doodlers can always play with by

themselves too!
