Wrong edition i thought it would be.By bommerHere i thought that these would be the new 5th edition character sheets, for 5th edition dungeon and dragons. But instead i get character sheets for 3rd edition dungeon and dragons. Most disappointing.4 of 4 people found the following review helpful. Poor qualityBy lewisjayPrint is very tiny and blurry. Very poor quality!I was very sad. I was excited to get them.1 of 1 people found the following review helpful. You are better off going online and finding a PDF to printBy James L. PeacockThese are after market character sheets. The print is too small. There is not much room to note spells

and equipment. You are better off going online and finding a PDF to print. Don't waste your money on these character sheets. Very third rate.

These character sheets are the best way for you to keep track of your characters' growth and evolvment during the game. Each character sheet is double-sided and designed for optimal playability. In addition, these character sheets are designed to support characters of all classes and levels. As characters evolve throughout the life of a campaign, these forms are the best way to organize the stats and facts that make each DD character unique
