so I can't speak to the writing or content quality. I CAN say that Mom totally enjoyed the book, and probably anyone who has been a fan of the original Mickey Mouse Club and/or Lawrence Welk would enjoy it, too. 0 of 0 people found the following review helpful. Loved It! By a viewer Simply written, but thoroughly engaging. I only wish it had been longer! I would have loved to have had him share memories of some of the other mousketeers like Dennis, who along with Bobby, was my favorite of the boys. Same with the Welk group! But it just proves that nice guys Do finish first and that Bobby, of the ever present big smile is genuine and indeed blessed! 3 of 3 people found the following review helpful. Loved Bobby Burgess's new book "Ears Bubbles"! By Barbara A. Petersen I enjoyed "Ears an Bubbles" book by Bobby Burgess. I've been a fan of his since he started with the Mickey Mouse Club and right through the entire Lawrence Welk years up to the present time. He is a fantastic person with a wonderful family both personal and business wise. It was fun reading!!

Then, Bobby takes you from the Mouse to the Maestro, from the "ears" to the "bubbles", as he becomes one of the leading performers on The Lawrence Welk Show, and shares his memorable encounters with the Hollywood elite, his fellow Welk dancers and musicians, and the often eccentric fans who enlivened the show's national tours.
