Richard Greenberg, Richard Greenberg : Eastern Standard. before purchasing it in order to gage whether or not it would be worth my time, and all praised Eastern Standard.:

0 of 1 people found the following review helpful. Ok readBy SebastianI had to read this book for my acting class and I was alright.The book came in great condition and was delivered right on time.2 of 2 people found the following review helpful. His First (Semi-) Hit, and His BestBy A CustomerEASTERN STANDARD is a comedy that bites. It's Greenberg at his funniest and also his most touching and introspective, examining a group of yuppies at the end of the eighties evaluating their lives and trying to compensate for their guilty feelings by taking a homeless woman under

their wing. Funny stuff, also subtly profound, and I mean that. 1 of 1 people found the following review helpful.
GeniusBy Pips de WorthWhen this play opened at the end of the eighties, Frank Rich of the NY Times was one of the only critics to see its beauty. But thank gosh he noticed! The play is gorgeous. The characters are funny, real, INTERESTING. The ending is a bit too pat, but it does not stop the play from climbing to the top of my list of favorite plays.
