All I can say is that you'd better watch a lot of television and movies and memorize actors and the characters they play. And, it wouldn't hurt to have an internet connection handy to research some of the less obvious answers ("Muslim pilgrimage:Hadj". Of course, you knew that.).4 of 4 people found the following review helpful. Nice collection, not too hard, not too easy.By Careful shopperMy skill level is that I find the New York Times crosswords easy on Monday and most Tuesdays but by Wednesday my success rate drops. This collection fits that skill level for a relaxing puzzle and it seems to avoid those obscure words that require a trip to a specialized crossword puzzle dictionary. Also recommended by Rex Parker on his blog.3 of 3 people found the following review helpful. Great FunBy sean pierceEnjoy crosswords of all difficulties. These puzzles are not difficult but they are well constructed and fun! You won't be disappointed.

How do you spell F-U-N? With Easy as ABC Crosswords, of course! This book of 72 daily puzzles is chock-full of easy-to-grasp themes, answers that don't use crosswordese, and entertaining clues that test you without being too tricky. If you're in search of the very best collection of beginner-level crosswords, this makes the choice as E-Z as can B!
