5 of 5 people found the following review helpful. Mentally RelaxingBy Mom-of-JOPAWhen I do a crossword, I want it to be a mental escape, but not mentally taxing. These crosswords are easy but offer just enough challenging questions, that I have to leave some blank and come back to. 90% of them I can complete without looking at the answers, even if I have to leave it a bit and come back to it to read a clue in a different way. But, almost always, I can get it. I love, love, love these and am about to order another.3 of 3 people found the following review helpful. yesBy Jane L.A great crossword book for those who like to be able to actually fill in the boxes. Easy enough for anyone to get a couple answers.2 of 2 people found the following review helpful. Love these books!By Dawn BrittOMGoodness LOVE these crossword puzzle books!
