**Billy Joe Garner : Easy Blackjack for the Average Joe** before purchasing it in order to gage whether or not it would be worth my time, and all praised Easy Blackjack for the Average Joe:

0 of 0 people found the following review helpful. Great bookBy AnInsightfulConsumerGreat blackjack book if you don't know anything about blackjack and want to get started. I read this book on the plane to Vegas and I made like, 70

bucks playing blackjack. I got a nice dinner and a dessert for my sweetheart. 5 out of 5, would buy again. 6 of 7 people found the following review helpful. Well-written blackjack strategy By Alan F. MacRobert Easy Blackjack for the Average Joe This is a well-written easy to read book that will be useful for beginning players. The discussion of bj strategy is superior to that of other books and is especially well explained. I found the author's enthusiasm for betting strategies a bit of a put-off since it is generally agreed by experts that no betting system will by itself reduce house edge. However, others may find some of the systems helpful in reducing the boredom of flat betting and perhaps help the casual player avoid ruin if limits of loss and gain are part of his scheme. 6 of 6 people found the following review helpful. Solid Advice By John W. Sorenson I enjoyed reading the book's solid info on blackjack strategies with common sense logic. You may not win all the time but after reading it you should come out a winner more times than not (80%)

Easy Blackjack for the Average Joe is a book about how to play the game of Blackjack. It includes instruction on how to play, playing strategy, and betting progressions. It is not written for card counters, as many are, but for people who want to play Blackjack on a vacation, for a weekend, or just a few hours every now and then. The player doesn't have to be a math whiz to understand the book. It is a book which could be read on the flight to Vegas or Atlantic City.

About the Author Billy Joe Garner is the pseudonym for Billy H. Garner. Billy has a Bachelors from The University of Texas Medical Branch in Galveston, and a Masters degree from The University of Texas-Houston. He currently works in Cape Girardeau, Missouri, as a CRNA. His Blackjack background goes back to the mid 1980's when he lived in Reno, NV, and played frequently at the many casinos there and in the Tahoe area. Currently he plays in ST. Louis, MO, and Tunica, MS.
