Fun and educationalBy IllinoisbelleI purchased this book as a gift for my son who is spending a college semester in Italy. The clues are in Italian and the answers to complete the puzzle are in English. He has enjoyed playing the games and learning a little Italian. The book is not very thick. The paper quality is decent.

Students of Latin and all crossword puzzle aficionados will enjoy broadening their knowledge of Latin and discovering English words rooted in Latin, with this ingenious Quid Pro Quo method-exchanging English clues for Latin words (and, for the last four puzzles, vice versa).
