From Puzzlewright : Easy Monday Crosswords #2 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Easy Monday Crosswords #2:

0 of 0 people found the following review helpful. not a good buy By Cheryl eNot Easy!! has clues that i have never heard of and i was a teacher. if something is easy , it should be easy. I have done easy crosswords before that do make you think, which I do want. but, I do not want off the wall clues. I had to keep looking up the answers for this one, which i do not like to have to do. 1 of 1 people found the following review helpful. NOT TOO EASY...NOT TOO HARD...GOLDDILOCKS WOULD ENJOY THEM! By JBRT thought I'd try a different EASY MONDAY CROSSWORDS editor and this time Peter Gordon. I enjoy Will Shorts New York Times Collections and have done them for a few years. I like the spiral-bound design as it makes doing the puzzles in my chair so relaxing. These puzzles have their "aw moments" and I find myself amazed and amused by the ruts our brains get into when it comes to words. These puzzles are not too easy and not too hard...GOLDDILOCKS WOULD ENJOY THEM! 1 of 1 people found the following review helpful. The puzzles are pleasant to do, but By Alex The pulp paper and oversized squares are somewhat annoying: The paper is so rough it may abrade your knuckles!

Make any manic Monday better with something fun to solve that's not too demanding. Tackle these easy crosswords to loosen up or to sharpen your skills for the harder crosswords to come later in the week. Each puzzle is themed Hollywood Boulevards, Elocution Lesson, Chocolate Fix allowing you to test your knowledge as you solve the conundrums.

Gordon, with remarkable energy, has applied innovation after innovation to the crossword editors job, and the results have gotten puzzle people talking. Matt Gaffney, The Weekly Standard
