**Harvey Estes : Easy Street Crosswords: 72 Relaxing Puzzles (Easy Crosswords)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Easy Street Crosswords: 72 Relaxing Puzzles (Easy Crosswords):

1 of 1 people found the following review helpful. Harvey Estes is the best!By Mandy56Harvey Estes is by far my favorite crossword puzzle person! I seem to click with what he is thinking. For me, I either get on the same wavelength as the person who created the puzzle or I never connect. I always connect with him. These are not your typical easy crossword puzzles and I love them for that. For those of you who are used to drug store paperback puzzle books, these puzzles fall into the hard category of those books. He does not repeat clues very often (which I find tedious). I am left handed and having the spiral bound is a must for me. Very enjoyable! Be advised that not all the clues are current so you need to know some things from the past.3 of 3 people found the following review helpful. Really not for beginners or intermediate puzzle solversBy VickyNCThe book cover reads "72 relaxing puzzles" and the designer states it is written for the beginner to intermediate puzzle solver--I disagree. The "themes" and

"entertaining use of a word" I find frustrating. If you enjoy puns and attempting to decipher what new ways the designer is using the word you may not find it as frustrating as I did. I also prefer having the answer puzzles in the back of the book in the numerical sequence as they appear in the book. I do not find this puzzle book relaxing or enjoyable. For beginning and intermediate puzzle solvers much better choices for a spiral bound book of puzzles would be either "Super Crossword Collection", "The Crossword Collection" or the "Just Right" books. 0 of 0 people found the following review helpful. Spiral bound so you can open it up. By Stargazer Lily Spiral bound so you can open it up. uses expressions and two word answers

The living is easy and the crosswords are fine on the puzzle side of Easy Street. Prolific puzzle constructor Harvey Estes has a preference for puns, so don't be surprised if his clues provide a few good laughs along the way!
