**Eddie Kantar : Eddie Kantar Teaches Topics in Declarer Play at Bridge** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Eddie Kantar Teaches Topics in Declarer Play at Bridge:

0 of 0 people found the following review helpful. Terrific!By CarolGib2014I have been having difficulty with my declarer play. My husband suggested I look for something basic.Eddie Kantar's software is the perfect answer. It's terrific.0 of 0 people found the following review helpful. Kantar declarer playBy Richard AndersonThis is a very high quality presentation; I have learned a lot. I also like his book on modern bridge defense.0 of 0 people found the following review helpful. Very clear and helpfulBy Adam M. BarronThis CD will quickly and enjoyably improve your declarer play! Eddie Kantar comes through again in his inimitable teaching style!

This CD-ROM is based on the book of the same name. The ideas, (entry management, suit establishment techniques, finessing - both how and how not to -- counting and endplays) are handled thoroughly, but in a way that any reader can understand. This software edition presents the material in interactive mode, giving you a chance to try the questions, practice hands, and tests. At the same time, the animated hand diagrams make it easy to follow the play of card combination or complete deals - and you can repeat an example as many times as you like!
