It's rather addicting, I have to limit myself to just two a day. At first, the questions were pretty challenging but after 10 pages or so, I got in the groove. This book covers a wide range of topics. The answers in the back help when you need it. I absolutely love the cover art. Hope to order more from this publisher.

This beautifully presented collection contains more than 250 crossword puzzles in an easy to carry package, complete with handy elastic strap fastener.
