Respect for EPBy Georgia HollingerThis is well written, has beautiful photography, and respect for EP - which not all the authors do.0 of 0 people found the following review helpful. The King and his brave flamboyance For the future!By Debra FiorentinoReally neat book showing the styles that Elvis wore and how he set trends and set the pace for the future!0 of 0 people found the following review helpful. Four StarsBy kevin j watsongood book!

The Rolls-Royce of Elvis books, Elvis Fashion: From Memphis to Vegas is the first to document the extraordinary costume and apparel collection at Graceland. Elvis fans and fashion aficionados will be unable to resist the book's

incredible new photography and sexy design, and fascinated to learn of Elvis' profound love of clothes, as evidenced by his vast array of hats, scarves, belts, and so much more. Sequined jumpsuits, leather pants, embroidered capes, and an exquisite collection of accessories epitomize this beloved celebrity as his career skyrocketed in the '50s, '60s, and '70s. All-new photography of the costumes and apparel in the book are accompanied by archival photographs of Elvis wearing them, as well as sketches and other original documentation. The text chronicles Elvis' development as a fashion icon and discusses the influence he continues to have more than twenty-five years after his death.
