Useful for trainers with no experience By Miguel Cardoso This is an exercise book for childrens from 6 to 11 years old, and just that no text other than the exercises, its supposed to be a self training book, although I am not quite sure wich 6 yo kid is interested in self training! Anyway I rate it 3 stars, not because of the main idea of self-training book, but because this is a great tool for new trainers who have to teach young kids and have no idea what to teach them! A great buy if you are a trainer, or if your kid really loves chess but as absolutely no skills :) This book is obviously in spanish

A edades tempranas, la enseñanza del ajedrez se ha de encaminar hacia el pensamiento, el razonamiento y no hacia la memorización, ya que los niños no la asimilan y les crea confusión. Este libro presenta dos partes claramente diferenciadas -ejercicios
