Mr Doug Scheer : Entertaining Education: A Comprehensive Guide to Creating and Performing Educational Magic before purchasing it in order to gage whether or not it would be worth my time, and all praised Entertaining Education: A Comprehensive Guide to Creating and Performing Educational Magic:

Entertaining Education, A Comprehensive Guide to Creating Performing Educational Magic is designed for the educational magician. Learn to create educational routines that entertain and teach. You will learn how the six elements of drama can be added to your show, the five categories of educational magic and how to apply these

concepts to your existing show and routines. Also contains 16 complete scripts of routines along with membership to a passcode protected website to view Doug performing these routines for elementary audiences. Plus a DVD and graphic novel of Doug's acclaimed school show Diversity Circus along with marketing materials are included and will be shipped directly from Doug Scheer. Complete with essays on performing with special needs volunteers, branding advice, and marketing interviews. Internet purchasers must also contact Doug directly to receive the bonus materials. Visit Dougscheer.com for more information.
