Print and spaces are large enough and there is enough difficulty to the puzzles to keep me interested.2 of 2 people found the following review helpful. Great puzzles.....even greater vendor service!By Barbara W.I rarely find the time to leave a review, but for this product I felt compelled. The crossword puzzles for me are challenging...but not overwhelming. They are in fact "just right" for me plus for my poor eyesight they are easy to read! AND as an added bonus this vendor's service is superb! I ordered this on a Sunday and got it the following Tuesday.....and didn't even ask for expedited shipping! I love these guys!0 of 0 people found the following review helpful. Wouldn't recommend!By Linda JohnsonI love challenging crosswords, but the clues in too many of these puzzles are ridiculously obscure, taking the fun challenge out of working and causing aggravation! Also, the use of symbols like baseballs (for "ball") or "abc" for use of these letters in answers I found ridiculous, distracting and highly annoying!

Not too easy, not too hard: with their cool clues and trivia, these Wednesday crosswords offer just the right challenge for medium-level solvers. In addition, the 125 large-print puzzles compiled here won't strain your eyes, so working on each grid is a pleasure.
