Michel Metayer : Erwin Blumenfeld (Phaidon 55's) before purchasing it in order to gage whether or not it would be worth my time, and all praised Erwin Blumenfeld (Phaidon 55's):

Portrait of the Blumenfeld; 4,000-word essay by Michel Metayer; 55 colour and b/w photographs presented chronologically over 110 pages (1 photograph per spread, with title and 1 paragraph commentary); Brief chronology

of the photographer
