Sophie Mills : Euripides: Bacchae (Companions to Greek and Roman Tragedy) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Euripides: Bacchae (Companions to Greek and Roman

Tragedy):

0 of 1 people found the following review helpful. Modern Drama from Ancient Greece. By golfer What can you say about something that has lasted for 2500 years, and it as relevant today as it was then.

Accessible introductions to ancient tragedies discuss the main themes of a play and the central developments in modern criticism, while also addressing the play's historical context and the history of its performance and adaptation. References to Dionysus in popular culture focus on the god as the incarnation of wild and decadent behaviour, by which humans are intrigued and appalled. The god as he is portrayed in "Euripides' Bacchae" is, however, more complex, paradoxically transcending straightforward notions of the Dionysiac. "Euripides' Dionysus" blurs the dividing line between many of the fundamental categories of ancient Greek life - male and female, Greek and barbarian, divine and human. This book explores his place in Athenian religion, what Euripides makes of him in the play, and the views of later writers and scholars.

About the Author Sophie Mills is Associate Professor and Chair of Classics, University of North Carolina at Asheville.
