Great information for someone who has never played, but is enjoying the lore around it.9 of 10 people found the following review helpful. Good Summary of a SciFi universeBy JDThe book is filled with information about the universe of Eve Online. Part history book and part almanac it holds much more information then I would have guessed for the price. Each empire also has a short story that provides some nice background.EVE: Source doesn't talk about the game itself at all, so I would recommend it as a standalone book for someone who is interested in Sci-fi world building.0 of 0 people found the following review helpful. but I got it for a die-hard fan of EVE who was very excited because this book was included in another collectors edition (that wBy

ElaineI know nothing of this game, but I got it for a die-hard fan of EVE who was very excited because this book was included in another collectors edition (that was too expensive for him to get) or something like that. I skimmed through it just to see what it was about and it had mostly text, definitely a more story backdrop to the game in comparison to a concept book.

EVE: Source is your comprehensive source book and visual guide to the gargantuan universe experienced in EVE Online and DUST 514! Developed in close collaboration with the EVE and DUST 514 creative teams, this beautiful 184-page, full-color hardcover will immerse readers in the history and lore of EVE through stunning artwork and never-before-released material detailing the settings, stories, races, and factions of the EVE universe. * A beautifully designed resource chronicling one of gaming's most massive, dynamic universes! * MMORPG.com's Game of the Year 20092011! * 2014 marks the entry of EVE Online into its second decade!
