**Various : EVE Universe: The Art of New Eden** before purchasing it in order to gauge whether or not it would be worth my time, and all praised EVE Universe: The Art of New Eden:

0 of 0 people found the following review helpful. Gorgeous Art Book By Ozone Joel haven't actually played EVE Online in probably 7 years, but I've always admired the art design and sound work of the game. I picked up the Kindle version of The Art Of New Eden, and it's just as fantastic as I expected. Beautiful images of the ship design and

backgrounds, along with some notes on the process of creating them. Just a stunning book to look through and admire the artistry of the game, even if you don't play it!3 of 3 people found the following review helpful. The Art of New Eden. A piece of Art itself.By JohnBeautiful Book.The pages are thick and the art is crisp and deep.An excellent addition to my Eve Online library.0 of 0 people found the following review helpful. Great Read!By Marc D. TylerGreat book with wonderful illustrations. For someone who hasn't played any of the games in the EVE universe, seeing the different faction designs and the process behind the designs were very informative. Great book with wonderful pictures with text that doesn't take away from the book design. Would definitely recommend

Revealing over a decade of images created during the development of EVE Online, DUST 514, and EVE: Valkyrie-- this is the ultimate look at the most massive and dynamic universe in video games!Created in close collaboration with the developers behind each game, this gorgeous full-color hardcover immerses readers in New Eden through hundreds of stunning, never-before-seen pieces of art. With in-depth commentary by CCP throughout, this is a must-have for any fan of science fiction, video games, or jaw-dropping visuals!

About the AuthorCCP is a leading independent developer of massively multiplayer games, and has been praised for its artistry, game design and unique player-driven, infinitely scalable storytelling narratives. CCP is the creator of the critically acclaimed science-fiction game EVE Online (PC/Mac). In addition to EVE Online, CCP also develops DUST 514, a groundbreaking, free-to-play, massively multiplayer online first-person shooter for the PlayStation3, and EVE: Valkyrie, a multiplayer spaceship dogfighting shooter, both set in the EVE Universe. Founded and headquartered in Reykjavik, Iceland, in 1997, CCP is privately held, with additional offices in Atlanta, Newcastle, and Shanghai.
