Everquest - A pleasant game to enjoy and play.By Toru KoroshiFor all intents and purposes it was a good book that gave a lot of background history for and about Everquest. If you like the lore, the stories and are an off/on player I would fully recommend you get this book. No questions. Although I hope soon they'll add in UF/HoT too.0 of 0 people found the following review helpful. A Must-Have!By FxMercLots of Nostalgia in this book.
