best resources for the practical application of game theory to real poker situations. Don't be fooled by the title, it's not just for heads up players, though I would say it's only for pretty advanced players. 2 of 2 people found the following review helpful. Great resource. Not limited to HU play at By Sean Great resource. Not limited to HU play at all 9 of 10 people found the following review helpful. The highest praise is to ask you not to read this book =) By Joshua Excellent book. I've played as a serious amateur now since 2005, and I never did well at the online HU tables. I've spent some time studying this book (I've read it twice through and anticipate at least two more readings) and my play has gotten much better. Unreservedly recommend this book. Unless you might play me at some point, in which case please do not read this book.

Will Tipton's recently published book *Expert Heads Up No Limit Hold'em* will surely redefine the literature of HU NLH. Jack Welch, Pokerheadrush.com, on Volume 1 If you are a heads-up NLHE player, or are looking to learn the increasingly popular format, then you finally have a book you can turn to. Steve Ruddock, PokerNewsboy.com, on Volume 1 From the Back Cover *Expert Heads Up No Limit Hold'em*, Volume 1, was quickly identified by poker commentators as a ground-breaking work. Volume 1 provided a detailed mathematical framework for analysing any poker situation and finding the most profitable response to any opponent strategy. This methodology was applied to pre-flop only and river situations. Will Tipton's recently published book *Expert Heads Up No Limit Hold'em* will surely redefine the literature of HU NLH. Jack Welch, Pokerheadrush.com, on Volume 1 Volume 2 concentrates on early street play. It develops tools for planning strategies to be executed over multiple streets and provides careful analysis of situations that arise when smart players strategies interact. This will prepare you to execute optimal and exploitative strategies in the myriad situations which can arise pre-flop, on the flop and on the turn. If you are a heads-up NLHE player, or are looking to learn the increasingly popular format, then you finally have a book you can turn to. Steve Ruddock, PokerNewsboy.com, on Volume 1 Will Tipton is a regular winner in the high stakes online HUNL games. He recently completed his PhD at Cornell and has accepted a position as a software engineer at Google. About the Author
