If you're expecting a quaint, outdated book you'll be immensely and pleurably surprised.And this specific edition is great too, with one side of the book for

Adam's diary and the other for Eve's. (In other words, there's no front or back-- it's two covers, one for each diary.)0 of 0 people found the following review helpful. Fantastic shape!By LauraWow, this was one of my happiest purchases. Extracts from Adam's Diary is a fabulous book, and one my mom is rather fond of. She was distressed that she was "down to one copy", and how she'd never see another one, and "what if my final copy gets wrecked", so I surfed and found - voila! - this copy. Although it's a very old book, this was in great shape, arrived swiftly, and did not cost a fortune. Thank you, and friends!0 of 0 people found the following review helpful. Mark Twain is GreatBy AlexYou know, this is a really short, cute little book. I decided to pick it up for my acting class, and I performed a portion of it as a monologue. I wouldn't recommend it for that purpose though haha. Other than that, it's a funny little twenty minute narrative that makes for a feel-good read. Mark Twain rules!
