Too basic, all info in this book can easilly and more extensively be found on the internet.By CustomerI was disapointed with the basic information in this book, lacking more in depth stuff. Probably good for absolute beginners with basic info on how to take corners. Car setups and trail braking are left untouched unfortunately.0 of 0 people found the following review helpful. EpicBy dennisA lot of thought had gone into this and it's not hard to tell as the guide is reliable and comprehensive enough. I found everything I needed to

know about F1 here. Wish I had this earlier. Recommended 0 of 0 people found the following review helpful. SuperbBy emirWithout these tips and directions I wouldn't be able to play this game. This is just amazing
