Catherine Foley FOLEY, Facets Multimedia : Facets Video Encyclopedia before purchasing it in order to gage whether or not it would be worth my time, and all praised Facets Video Encyclopedia:

Calling it 'a virtual cinemath'que on video', the Telluride Film Festival gave its coveted Silver Medallion award to Facets Video Encyclopedia. The Encyclopedia lists more than 35,000 rare films on video, laser disc and DVD. Included are foreign, independent, classic American, silent, documentary, experimental, cult and children's films. Each is carefully described and lists director, country of origin, year and running time credits and is categorised and cross-referenced by director and country. All films are available for sale or rent from Facets Multimedia.
