The jewel tones of the cards are just incredible. Not muted at all. SO vivid and beautiful! The talent that went into this deck is just magical. The

cardstock is excellent, and the packaging is beautiful...this is my favorite packaging of any deck I have (I have approximately 25 tarot and oracle decks). The deck comes in a regular tuck box with the little white book, and the tuck box "tucks" into a larger box that has a sliding cover. It's just such a treat to open. The cards have rounded edges, and are lovely to hold. They are a bit wider than other "standard" sized tarot decks, and since I have small hands, I do find it most comfortable to shuffle using the "corner shuffle" method. I love absolutely everything about this deck. This deck will be treasured by anyone who loves vivid colors, animal symbolism, and faeries. 5 of 5 people found the following review helpful. I Love This Deck!!!!!!By ShaniaI am a first time buyer. This is my first tarot deck and I have to say that I absolutely love it! I searched through literally hundreds of decks online, and after I saw this one I couldn't find another one that I liked that much. So after reading as much as I could about the Faerie Tarot I decided that it was the one for me. I love the colors, and the faeries are so beautifully drawn. There is great detail in every card. I had read that this deck is not recommended for beginners, but the little white book that came with it, was easy for me to understand. All my friends say that I'm pretty accurate when I read for them too. It's easy to handle them and they are nice and smooth. This is a great deck and I know that if you buy it, you'll love it too!!! 2 of 2 people found the following review helpful. I have her other decks and love the energy artworkBy Auntie M.I have her other decks and love the energy artwork. They speak during a consult and I have used the decks many times. This was a lovely recent acquisition. Her cards seem to call to the subconscious. Fantastic!!!

The Faerie Tarot invites you to see the world in a delightfully new way. This original deck offers a fresh interpretation of the traditional tarot, with new, vibrant art blending together fantasy, whimsy, and nature. Every card in both the Minor and Major Arcana is brought to life with exquisite details and charming motifs inspired by the four seasons.
