Bethesda Softworks LLC (ZeniMax Media Inc) : Fallout Hardcover Ruled Journal (Insights Journals) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fallout Hardcover Ruled Journal (Insights Journals):

8 of 8 people found the following review helpful. Good for the Fallout Lover. By Zachary Holzman This is a nice, thick, quality Journal for the Fallout enthusiast. The binding is nice, and is sturdy. The back pocket is pretty basic, but does the job. The Vault Boy on the cover is a nice touch, and seems to be done with some quality, not just a sticker. 1

I do hope they come out with different ones. So of you need to have a journal for the Apocalypse you can't go wrong with this.1 of 1 people found the following review helpful. The last journal you will ever need in the apocalypse!By JesseGreat little journal! I purchased this journal for notes at work and everyone just loves it. The cover has a great rubberized feel and the inside front and back covers are adorned with some great fallout 4 style drawings. Pages have a nice weight and the back cover also has an embossed fallout 5 logo. Saw this at gamestop for about \$7 more, so happy to have found it on for cheaper!

Fallout is the post-nuclear role-playing game that defined a genre. This finely crafted journal is illustrated with the game's iconic retro-futuristic art mix of 1950s and post-apocalyptic styles beloved by fans. Featuring Vault Boy and Vault-Tec illustrations on its endpapers, this journal is guaranteed to delight the game's massive following.
