When it comes to getting a job, it's not always what you know-it's who you know. Fantasy football is rapidly becoming one of the most popular games at the workplace. It is played by millions of people in office leagues across the United States and throughout the world. The game creates new and powerful networking dynamics by bringing employees from every level of the organization chart together and different departments for five months during the NFL season. Written by fantasy football and career expert Michael Hanby, "Fantasy Kick" breaks down how to play the fun game of fantasy football and use it to help advance your career.
