**Paul Warwick Thompson, Yoshikata Tsukamoto, Barbara Bloemink : Fashion in Colors** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fashion in Colors:

Conceived by the celebrated design duo Viktor Rolf, whose audacious fashions grace runways in Paris and New York, this edition includes more than eighty works by designers such as Balenciaga, Chanel, Yves Saint Laurent, Junya Watanabe, Yohji Yamamoto, Madeleine Vionnet, Vivienne Westwood, Azzedine Alaia, Jean-Paul Gaultier, Viktor Rolf, and Rei Kawakubo, most of them from KCI's permanent collections. Featuring essays that discuss the influence of color on fashion and society by scholars including Akiko Fukai (Chief Curator, KCI), Lourdes Font (Assistant Professor, Fashion Institute of Technology), Claude Levi-Strauss, and Barbara Bloemink (Curatorial Director, Cooper-

Hewitt, National Design Museum), Fashion in Colors also includes designer profiles and an extended interview with Viktor Rolf. Cooper-Hewitt, National Design Museum, is the only museum in the United States devoted exclusively to historic and contemporary design. The Museum Presents compelling perspectives on the impact of design on daily life through its educational programs, exhibitions, and publications. Cooper-Hewitt is housed in the historic Andrew Carnegie Mansion in New York City.
