2 of 2 people found the following review helpful. Fascinating By Tom Lin I love the anthropological feel to this book. For anyone who is looking for a deep, insightful look at how fashion has shaped our human race, i suggest you give this book a glance or two. 1 of 1 people found the following review helpful. most wonderful By Andrea G. Marks A fantastic book about human creative, artistic, educational, mind expanding and most unusual attire through all cultures of this planet through excellent photographs as National Geographic is known for. I highly recommend this fabulous book especially for teenagers. 0 of 0 people found the following review helpful. One Star By Sawtellebook was completely destroyed upon arrival

Brings together 200 full-color photographs and essays on culture and style from a global perspective, drawing on interviews from designers, editors, historians, and cultural anthropologists to consider the significance of clothing and adornment. Original.

"A picture book of the most glamorous images."
