FASA Corp. : Federated Suns: Battletech Field Manual (Battletech, FAS1719) (Battletech 1719) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Federated Suns: Battletech Field Manual (Battletech, FAS1719) (Battletech 1719):

0 of 0 people found the following review helpful. NiceBy Jean MabryWas a Christmas gift for my son. He loves it!! Prompt shipping and packed well. He looks at it all the time. He plays the gamealso!0 of 0 people found the following review helpful. Five StarsBy John William LewisJust what I was looking for2 of 4 people found the following review helpful. Davion RebirthBy CustomerI have to say, that I was surprised how many listed Davion units are loyal to Katherine Steiner-Davion. Still, loyalties change all the time in this universe. Despite that, I am sure the book will put at ease those B-Tech fans who think the AFFC/AFFS is no longer as potent as it was during the Succession Wars. Although the Federated Suns is not as up to date as other Inner Sphere powers, certainly they can hold their own in superior organization and tactics.The real question is, even with the resurgence of the Star League and detente with the Draconis Combine, can the Federated Suns, and the Federated Commonwealth survive the sundering of Civil War? This Field Manual will reveal the strengths and weaknesses of the Federated Suns, and with the Lyran manual, "stack the forces" together to let readers understand the unsettling future ahead. A must-read.

Dominant for centuries, House Davion has led the Federated Suns to greatness through brilliant and innovative

leadership. The Federated Suns have carved a prominent swath through history: the Davions formed a military that rewrote modern warfare; created the New Avalon Institute of Science, giving the Inner Sphere its first technological renaissance in three centuries; and united the military might of the Federated Suns with the economic power of House Steiner, creating the vast star empire known as the Federated Commonwealth. But with such power comes corruption -- and civil war is looming on the horizon. BattleTech Field Manual: Federated Suns provides profiles on every Federated Suns regiment, including their loyalties, and provides special rules, new equipment and 'Mechs unique to this powerful House.
