**Music Sales : Fiddlesticks: The Musical Instrument Recognition Game Based on "Old Maid" (The Game Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fiddlesticks: The Musical Instrument Recognition Game Based on "Old Maid" (The Game Series):

0 of 0 people found the following review helpful. We also realized that the size of the set makes it great for playing memory (leaving out the fiddlesticks).  
By Jennie Kadrioski I purchased this as a basic introduction to instruments for my homeschooled first grader. He enjoys playing, and asks often enough that the names are being reinforced. We also realized that the size of the set makes it great for playing memory (leaving out the fiddlesticks, of course!). I would have gladly exchanged less robust packaging for sturdier cards, though. I can't imagine they'll be looking great with another few months of use.  
0 of 0 people found the following review helpful. I actually love the game.  
By Marcia Nachreiner I actually love the game, but I'm rating it a 4 because after just a few uses, the cards are already showing

wear. The cards are just not sturdy enough to withstand use in a public school music program. The cards did help students practice musical instrument families which was my purpose for buying them. 0 of 0 people found the following review helpful. OkBy Sam MarsPurchased for classroom use. Students love the game, but the cards are flimsy and tear easily. Wish they were the quality of a regular deck of cards.

FIDDLESTICKS is a fun way to learn about different musical instruments. Based on the favorite game Old Maid, players have to collect pairs of instruments, but avoid getting left with the dreaded fiddlestick at the end of the game! Perfect for both classroom and home use. Contents 33 cards (16 pairs of instruments plus one fiddlestick card) Rules and instructions on how to play
