Dan Birlew : Final Fantasy IX Official Strategy Guide (Video Game Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Final Fantasy IX Official Strategy Guide (Video Game Books):

0 of 0 people found the following review helpful. ... you are and what your doing nothing beats a goodBy Dearl D. Brownwhen you absolutely need to know where you are and what your doing nothing beats a good guide0 of 0 people found the following review helpful. Five StarsBy Johnathan Van MeterStill very useful when playing on the iphone.3 of 3 people found the following review helpful. Completely Useless in 2010By SteveThis strategy guide is completely useless in 2010.I'm not sure what they were thinking by forcing their customers to go to a website in order to learn about Final Fantasy IX - but they website you are directed to doesn't even work anymore! This book is really completely worthless, and it's a major bumner because the game itself is excellent.

BradyGames Final Fantasy IX Official Strategy Guide features a detailed walkthrough, support and action abilities, equipment lists and statistics, comprehensive weapons list, bestiary data and side quests. Using this printed guide along with Squaresoft's online guide at PlayOnline.com will enable players to access additional resources for this epic adventure.
