**Elizabeth Hollinger, James Ratkos : Final Fantasy Tactics: The Official Strategy Guide (Greatest Hits)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Final Fantasy Tactics: The Official Strategy Guide (Greatest Hits):

0 of 0 people found the following review helpful. Five Stars By K. Walton Definitely worth it for getting the whole game!  
0 of 0 people found the following review helpful. Great book! By Robert E. Peterson Great book!!  
0 of 0 people found the following review helpful. Does fair job but should better prepare you to save on separate file before consecutive ...  
By John Martin Does fair job but should better prepare you to save on separate file before consecutive castle battles you cannot escape from to level up or beef up equipment.

Battle-by-battle strategies  
70 battle maps in 3D  
All Treasures, secret places, and hidden items revealed  
Statistical information for action, reaction, and movement skills for every job class  
Discover how to play FF VII's cloud strife

.com How do you follow up one of the most ambitious, anticipated, and successful video games of all time? With an equally ambitious game that has a unique look and feel, but remains true to its lineage. This is the story behind Final Fantasy Tactics, the new Sony Playstation game from Squaresoft. Following the epic role-playing game Final Fantasy VII, Final Fantasy Tactics focuses more on battles and strategies for winning them. This book, which is far more engaging than your average all-text strategy guide, can help you master each of the game's 70 battle maps, which are depicted in several full-color screen shots. Before getting into that, however, the guide goes to great lengths to explain the game's incredible depth and the many intricacies you'll have to learn in order to be successful. The latter portion of the book explains the differences between the game's 20 different job classes and provides a wealth of statistics on the many weapons and creatures that come into play. The 50-Year War is Over, but the Real Battle Has Just Begun! From the Back Cover
