Accompany Thomas Stanwick as he hears about a crime, arrives on the scene, interviews the authorities and witnesses, examines the body, surveys the surroundings, and announces which suspect to arrest. All under 5 minutes. You'll be right there with him for dozens of different crime scenes, and if it takes you less than five minutes to bust the case open, consider yourself a match for the brilliant Stanwick. 96 pages, 40 b/w illus., 5 3/8 x 8 1/4.
