Daniel Tatarsky : Flick to Kick: An Illustrated History of Subbuteo before purchasing it in order to gauge whether or not it would be worth my time, and all praised Flick to Kick: An Illustrated History of Subbuteo:

0 of 0 people found the following review helpful. A Trip Down Memory Lane By Alex McCoy What a fun trip down memory lane this book turned out to be. The history of the Subbuteo company (all the ups and downs) is laid out beautifully with loads of pictures. The personal side of the creator and the company's workers is also a nice touch. It really is a story Brits are too familiar with: the decline and fall of British companies. The only thing missing would be some sort of chapter on the modern rebirth of the game, the post-subbuteo Table Soccer stuff, but there's plenty of resources online for that. 0 of 0 people found the following review helpful. Five Stars By D. Brooks OK 1 of 1 people found the following review helpful. Fantastic companion for Subbuteo fans! By Maori As far as I know, this is the only 'history' of Subbuteo and a wonderful trip down memory lane for players of this great table top soccer game.

Packed with great retro photographs and designs from the original Waddington's/Hasbro archive, here is a fascinating, affectionate account of the life of the father of subbuteo, Peter Adolph, and the roots and the ups and downs of his soccer board game company. Revisit the all-time best-selling teams and the first Subbuteo World Cup; meet the enthusiasts and see their amazing collections; laugh at some of the pointless accessories like floodlights, spin-offs like Subbuteo Snooker, and trivia: remember when the 1980 World Champion had his flicking finger insured? It's a celebration of the games and a great gift for fans.

"Packed with a host of absorbing facts and anecdotes" HAM HIGH, 3 September "Fascinating reading" SCOTLAND ON SUNDAY "Written with train-spotterish enthusiasm... Tatarsky covers every possible angle. The brilliant retro-hip colour design greatly add to the nostalgic appeal of the book." THE TIMES, The Game, 27 September "The best

football book not actually about football ever! An endlessly entertaining compendium of the best table football game ever invented." LEEDS, LEEDS, LEEDS fanzine, September "A fantastic book, lovingly written and lavishly illustrated." VALLEY REVIEW (CHARLTON ATHLETIC FANZINE), 27/10 "A dandy little book, illustrated in a way that will have you moist-eyed with nostalgia." LADSMAG.COM, September "A gem, abundant with images, facts, myths and nostalgia, all lovingly couched in a suitably retro layout. The witty narrative holds the attention and creates a pace that conveys some of his lasting schoolboy enthusiasm." FLUX magazine, Nov/Dec 04 "Beautifully produced." PROGRAMME MONTHLY, December

About the Author Daniel Tatarsky is a veteran of the Subbuteo World Cup and an avid collector of Subbuteo accessories
