Any spare moment in the office and they will pull out a card and ask each other questions. They had a lot of fun with it even if they didn't really play the game as it should be played. Good range of topics.0 of 0 people found the following review helpful. Fun game, not for kidsBy SydneyThis game is fun. I can see how it can become a very long game though. I recommend the quick version of the rules.0 of 0 people found the following review helpful. Great GiftBy DaveSincereBought this as a gift for a friend who's a Chef.. She loved it..
