I read her mother's book when it came out and always wondered what Chiquis' side of the story was like. Regardless of the rumors, (only her, her stepfather and Jenni know the truth), the book was quite interesting and a nice look into her mother's life from her perspective. She lost her mother and you can definetly sense the pain in the words she wrote.

I wish she would have elaborated more on the journey to how her mom's fame came about and also hoped she didn't jump around so much. All in all, it's a beautiful book about her struggle to forgiveness. 2 of 2 people found the following review helpful. Great read
By Luz Flores I definitely liked this book. I read it in one day. I am not a big fan of Jenni or Chiquis (not in a bad way). I wasn't into Jenni music but I did watch the show. I first felt bad for mom and all the heart ache she went through (what ever was publicized). When I read book it gave me an understanding of everything that was out in the open. 6 of 6 people found the following review helpful. Forgiveness
By trulove2 Awesome book... Had me teared up throughout the whole book Highly Recommend it Chiquis is an awesome person for writing this book

I wrote this book not to dismiss a rumor but to share something much more important: my journey to forgiveness. Chiquis Rivera is a singer and the daughter of the late music superstar Jenni Rivera. In *Forgiveness*, her memoir, Chiquis bravely reveals the abuse she suffered at the hands of her father during her childhood and the difficulties she faced in her personal life as a result. Despite growing up marked by the wounds of abuse, she eventually conquered her fear of love and intimacy. The story within these pages also recounts what caused the distance between her and her mother toward the end of Jenni's life. In *Forgiveness*, Chiquis brings to light truths that she wishes she had been able to reveal to Jenni. Two years after her mother's death, Chiquis answers the most difficult questions: Was she able to make peace with Jenni? And in this story of triumph and tragedy, who is most in need of forgiveness?
