Michael S. Malone : FOUR PERCENT: The Extraordinary Story of Exceptional American Youth (2nd Edition - NEW ENLARGED) before purchasing it in order to gage whether or not it would be worth my time, and all praised **FOUR PERCENT: The Extraordinary Story of Exceptional American Youth (2nd Edition - NEW**

ENLARGED):

0 of 0 people found the following review helpful. Be an Eagle Scout!By John A. DrewsGreat history of Scouting in America, which had its roots in the U.K. Having Eagle Scout on your resume still carries a lot of meaning; I loved my experience in Scouting as a youth and am belatedly working to give back to the program. If you have a young man in your family, get him into Scouting -- it will change his life for the better!0 of 0 people found the following review helpful. learn more about EaglesBy Mary Lake ArrowheadrSo much information about BSA and the Eagle Scouts. I am widow of an Eagle Scout, mother of 2 Eagles and grandmother of 1 Eagle. This book enlightened me about how much Eagles contribute to our country.0 of 0 people found the following review helpful. Five StarsBy P H CExcellent. Purchased this as a gift for a newly inducted Eagle Scout. Perfect gift.

2nd Edition of FOUR PERCENT - NEW ENLARGEDMany ADDITIONAL Historic Photographs2013 WINNER in the International Book Awards category of Best U.S. History2013 WINNER in the National Indie Excellence Awards category of Best Historical Biography2013 FINALIST in the National Indie Excellence Awards category of History2012 WINNER of USA Book News' Best Non-Fiction eBook "A 'must read' not only for young men but also for those who love them." Dr. Robert Ballard, World Explorer and discoverer of the Titanic"Four Percent is the best, and most honest, book ever written about the Boy Scouts of America." Tom Hayes, The Huffington Post"[Malone] wrote how the image of Eagle Scouts has risen over the decades...I could not agree more." - Robert J. Mazzuca, Chief Scout Executive, Boy Scouts of America (Retired)Four Percent is one of the most complete histories of the Boy Scouts of America ever written and the first to focus on the remarkable story of Eagle Scouts. Award-winning author Michael S. Malone, himself an Eagle, brings the eye of a veteran journalist to a story that for too long has been wrapped in myth and prejudice and uncovers one of the most important, but least celebrated, movements in modern American history.Four Percent is more than just a history of the Eagle Scout rank, but also the story of many Eagles a President of the United States, dozens of astronauts (including Neil Armstrong), Medal of Honor recipients, Nobel prize winning scientists, authors, movie stars, titans of industry, Senators, Congressmen and Governors, civil rights leaders, and community activists who have transformed the face of America over the last century.One of Malone's major contributions in this book is his discovery that the community service project requirement for the Eagle rank has resulted in the great youth service initiative in history: more than 100 million hours devoted to improving the nation s communities and neighborhoods.Filled with vivid historic anecdotes, compelling profiles, and surprising facts, Malone has brought to Four Percent the eye of a world-class writer, the insider experience of being an Eagle Scout himself, and the objectivity of a career journalist, to produce the best book ever about America's Eagles and perhaps even about Boy Scouting itself.

About the AuthorMichael S. Malone is one of the world's best-known technology writers. He has covered Silicon Valley and high-tech for more than 25 years, beginning with the San Jose Mercury News as the nation's first daily high-tech reporter. An author of over a dozen best-selling books, Bill Dave was named "the best business biography of all time" by Financial Advisor magazine.
