Thalia Mara : Fourth Steps in Ballet on Your Toes: Basic Pointe Work before purchasing it in order to gage whether or not it would be worth my time, and all praised Fourth Steps in Ballet on Your Toes: Basic Pointe Work:

0 of 0 people found the following review helpful. Good!By J. BrownGood book for a beginner dancer.16 of 17 people found the following review helpful. Book on pointe techniqueBy Vanessa RiemerI think this is a great book for someone who has just begun pointe work and wishes to gain more information about it. It's a better book for a beginner than for one who already has pointe experince, yet some advanced dancers may gain some insight on proper pointe technique since most of us fall into some bad habits. Overall its a good book with good information!7 of 14 people found the following review helpful. If you aren't on pointe yet it's not very usefulBy A CustomerI liked it but it was mostly techinques. It was a bit outdated but it would be worth your time to look through it
