**Nikita Vitiugov : French Defence Reloaded** before purchasing it in order to gage whether or not it would be worth my time, and all praised French Defence Reloaded:

6 of 7 people found the following review helpful. good jobBy Carla HerediaI think you should buy this book if you are already a player with at least 2050 of rating. Why? because it has a lot of variations worked with computer ... a not too much explanation. SO I think the target of this book is advanced players.0 of 4 people found the following review helpful. Five StarsBy A HGood book if you would like to learn the French Defence.

A completely updated edition which presents a Black repertoire based on the French.
