Brandi Milne : Frohlich before purchasing it in order to gauge whether or not it would be worth my time, and all praised Frohlich:

2 of 2 people found the following review helpful. WONDERFUL addition to my collection! By Erica M. Branch Beautiful hard bound book filled with rich beautiful artwork! The artist's work is already incredible, the quality is not lost in the book and it's something I'll treasure and use for inspiration in my own works! Anyone who is a fan or even for someone who just wants to have something interesting and beautiful on the coffee table, this is a must! ^_^ 0 of 0 people found the following review helpful. LOVE IT!!! By deuce in cali She is AMAZING!!! Gorgeous art work, beautiful presentation. One of the highlights in my book collection. I also ordered her tins of mints she designed (all 5 in the collection). Great artist, fascinating paintings. 2 of 2 people found the following review helpful. BEAUTIFUL ART! WONDERFUL BOOK! By Robert Connett Her artwork is beyond fantastic. A feast for the imagination! The book is very well done, Gorgeous colors and well made, beautiful pages. A must-have for your collection of artists.

A beautifully designed monograph by young painter Brandi Milne whose soft-spoken style has risen above the noisy roar of the alternative art scene.

"Pretty girls, corpulent cakes, and big eyed animals: The depictions of these in Milne's work are ghostly remnants of a certain time and place that no longer exists, and these characters often have the feeling of a vague and fading dream." -

Camille Rose Garcia, Artist "Brandi wields the hand of a master draftsman, blending her unique plethora of fantastic characters with the fluid motion of a Disney Silly Symphony." - Jan Helford, Gallerist
About the Author
Milne grew up happily surrounded by a wealth of inspiration... classic cartoons, crayons and coloring books, Sid and Marty Kroft creations, toys, candies, and the kitchy fabrics and notions of the times. Self-taught and emotionally driven, Milne's work speaks of love, loss, pain and heartbreak. She decorates it oddly with a wink of humor and a delicious candied-coat finish - a combination that can be highly addictive to viewers around the world. Brandi's work is celebrated and supported in fine art galleries internationally, and has been showcased in Hi-Fructose and Juxtapoz.
