before purchasing it in order to gage whether or not it would be worth my time, and all praised Front Page Sports Baseball `94: The Official Playbook (Secrets of the Games):

With Front Page Sports Baseball, the player manages and plays on a big league team, working with minor league statistics to create a major league winning franchise. This Playbook explains Sabermetrics, the science behind the statistics. Players will learn how parks effect and influence team performance, and receive expert help on evaluating the draft and selecting players.
