Fun puzzles without the frustrationBy Melanie M.Sometimes I just like a crossword puzzle that I can solve when Im tired at the end of a long day, and this book fits the bill perfectly. Themes are pretty basic and the clues are fairly straightforward. I also have the Fun in the Sun Hard Crossword Puzzles for those days when Im feeling less brain dead. This book has 96 puzzles so you get a lot of bang for the buck. The book is spiral-bound so pages are easy to tear out if you want to take a puzzle with you, or you can fold back the pages completely. Paper is heavy so you can write in pen without effecting the puzzle on the back of the page. Fun book for the beginner or for someone who just wants an easy solve.0 of 0 people found the following review helpful. Ugly layout, but the puzzles are OKBy AlexThe puzzles are OK, but they have super heavy black lines between the letters, making them hard to read. This isn't normal for a puzzle book. Puzzlewright, the publisher, never does this.0 of 0 people found the following review helpful. Five StarsBy BethOne of my favorites.

When it's time to take it easy, the puzzles shouldn't be too hard! These top-notch crosswords make solving simply fun with their terrific themes and entertaining wordplay. Enjoy them on the beach, in the park, or anywhere at all!
