Joanne F. Schroeder : Fun Puppet Skits for Schools and Libraries before purchasing it in order to gage whether or not it would be worth my time, and all praised Fun Puppet Skits for Schools and Libraries:

2 of 2 people found the following review helpful. Don't waste your money!By Jessica GrantDon't waste your money on this boodk. If you have any imagination at all, you can do better. The book is very dated, most of the skits are from older stories - three bears, three little pigs, cinderella, etc., or they have no message and are just plain nonsense.3 of 4 people found the following review helpful. One of a kindBy Daniel SchroederThere is no book out there like this one. Ready made puppet skits that will entertain and educate. No stage is needed and no rehearsal for this easy method of puppetry. The kids can be involved without preparation. Most of the skits are based on picture books and fairy tails in school curriculum.

These short (one- to three-minute) reproducible puppet skits are easy to perform-without elaborate staging, props, or rehearsal time. Educators can explore and learn to use a variety of puppets, from simple finger puppets and shadow puppets to marionettes and ventriloquist dummies. The skits are based on children's songs (e.g., Old MacDonald Had a Farm, Do the Hokey Pokey, Doggie in the Window), popular stories (e.g. The Three Billy Goats Gruff, The Princess and the Pea), and the author's own characters and tales (e.g., Amy Armadillo and Jake the Cowboy). Each one is based on a theme, such as safety, friendship, or food, that can serve as focus to the lesson. The author also provides suggestions for related reading, a materials list, and a wealth of tips for the skits-from voice and ventriloquism to creating and manipulating puppets. Grades K-6.
