Matthew Clift, Becky Cann : Funny Ha Ha!: A One Act Play before purchasing it in order to gage whether or not it would be worth my time, and all praised Funny Ha Ha!: A One Act Play:

"We laugh when happy we laugh when sad to disguise the true feelings we really have" One circus clown facing his own mortality and another trying to find the laughs again. When thrown together they play out an absurdist game that looks at the light and dark side of comedy and tries to find the answer to the biggest question of all..."why are we here?" Funny Ha Ha! is Eric and Ernie meets Vladimir and Estragon as tricks, routines and philosophical discussions

fill the stage until the unexpected conclusion. Winner of 9 awards at the All England and Oxfordshire Drama Network Festivals as well as appearing at the NDFA All Winners Final in 2013.
