Colin McDowell : Galliano before purchasing it in order to gage whether or not it would be worth my time, and all praised Galliano:

0 of 0 people found the following review helpful. not a lot on the fun Dior show photos or on photosBy albert kroeyrThis book, was more on his early work, not a lot on the fun Dior show photos or on photos, of his own label and the over the top, fashion shows he was known for0 of 0 people found the following review helpful. I love itBy Patricia L. WaltersI had no idea this product was even available, so I was thrilled to find out about it(through an article about Galliano on line). It is fabulous as bio, and I am thoroughly enjoying it.It came quickly, too, thanks, seller!0 of 1 people found the following review helpful. Dissappointed!By TamaraI liked the book but I had to send it back because it was not complete! Some pages were missing...!!!! I bought it and immediately sent it back in december. Hopefully I will receive my money back soon... I am still waiting...!!! But...it's a good book.

"Dripping with glamorous photographs."--Cosmopolitan. "Worth it for the fabulous pictures alone."--The Times. John Galliano is the single most dynamic force in fashion today, and this intimate history of his career extends right from the time he burst on the scene in 1984 to his success as the creative force in a new and revitalized Givenchy and to his

great triumph at Christian Dior. A uniquely personal approach opens the door on Galliano's work and creations, with friends and colleagues offering insights and the designer himself contributing never-before-published drawings, sketches, and show plans. Gorgeously illustrated, the book also includes over 200 pictures by the greatest photographers, some of which Galliano personally commissioned. It sets a new standard in fashion publishing.

'Worth it for the fabulous pictures alone' The Times 'Informative text, pictures to die for' Daily Mail 'Dripping with glamorous photographs' Cosmopolitan
About the Author Colin McDowell is a fashion historian and writer. He is a regular broadcaster on television and radio, and has written for every major newspaper and fashion magazine in London, most frequently for the Sunday Times, where he is the senior fashion writer for Style magazine. Colin McDowell currently lives in Folkestone, Kent.
