**Jim Davis : Garfield Stories (Golden Treasury)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Garfield Stories (Golden Treasury):

0 of 0 people found the following review helpful. Falsly AdvertisedBy CynethrythThis is not what it says it is. That is why there is no picture. This is a little kids book. It is not a golden treasury. It is a little golden book for toddlers. The sticker price on the thing said \$1.09. It is one story only. Not 3 like it lists and it is only a few pages long.
