Garry Kasparov : Garry Kasparov on My Great Predecessors, Part 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Garry Kasparov on My Great Predecessors, Part 2:

0 of 0 people found the following review helpful. Five StarsBy Kindle CustomerReally insightful.0 of 1 people found the following review helpful. Great five-volume setBy J. HowardThis is Volume Two of the five-volume set of My Great Predecessors. I had to do a lot of shopping around to find each volume at a price I could afford, but if you are serious about developing an understanding of chess strategy, this set is an excellent resource. The books cover the history of great chessmasters, detailing many of their games. I don't start at page one and read through them sequentially; rather, I look up a particular strategy and lay out the game on my chessboard to move through it. One

game usually leads to another, and I can spend hours going through the volumes this way. [NOTE that this review is authored by my 19-year-old son.]0 of 0 people found the following review helpful. Awesome book!By CapaCubaGreat condition! Great Price!

The battle for the World Chess Championship has witnessed numerous titanic struggles that have engaged the interest not only of chess enthusiasts but of the public at large. The chessboard is the ultimate mental battleground and the world champions themselves are supreme intellectual gladiators. This magnificent compilation of chess from the mid-20th century forms the basis of the second part of Garry Kasparov's long-awaited definitive history of the World Chess Championship. Garry Kasparov, who is universally acclaimed as the greatest chess player ever, subjects the play of his early predecessors to a rigorous analysis. This volume features the play of champions Max Euwe (1935-1937) Mikhail Botvinnik (1946-1957, 1958-1961 and 1961-1963), Vassily Smyslov (1957-1958) and Mikhail Tal (1960-1961). However, this book is more than just a compilation of the games of these champions. Kasparov's biographies place them in a fascinating historical, political and cultural context. Kasparov explains how each champion brought his own distinctive style to the chessboard and enriched the theory of the game with new ideas.

From the Back CoverThe battle for the World Chess Championship has witnessed numerous titanic struggles which have engaged the interest not only of chess enthusiasts but of the public at large. The chessboard is the ultimate mental battleground and the world champions themselves are supreme intellectual gladiators. This magnificent compilation of chess from the mid-20th century forms the basis of the second part of Garry Kasparov's long-awaited definitive history of the World Chess Championship. Garry Kasparov, who is universally acclaimed as the greatest chess player ever, subjects the play of his early predecessors to a rigorous analysis. This volume features the play of champions Max Euwe (1935-1937) Mikhail Botvinnik (1948-1957, 1958-1960 and 1961-1963), Vasily Smyslov (1957-1958) and Mikhail Tal (1960-1961). However, this book is more than just a compilation of the games of these champions. Kasparov's biographies place them in a fascinating historical, political and cultural context. Kasparov explains how each champion brought his own distinctive style to the chessboard and enriched the theory of the game with new ideas. Garry Kasparov is generally regarded as the greatest chess player ever. He was the thirteenth world champion, holding the title between 1985 and 2000. His tournament record is second to none, featuring numerous wins in the world's elite events, often by substantial margins. Over the last few years, Kasparov has taken first prize in ten consecutive major international events.
